

Lucky Star

Using square paper like
15cm * 15cm

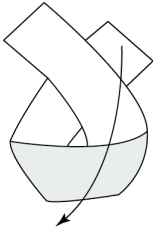

Front

Back

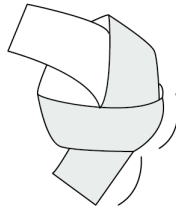

1

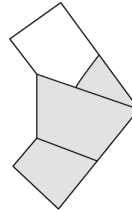

Loosely fold the strip into a knot in the direction of the arrow

2

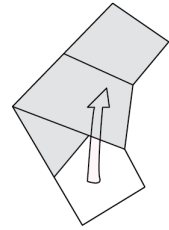

Softly press the corner

3

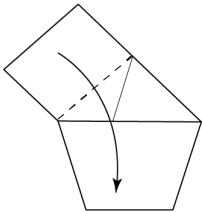

Turn the model over

4

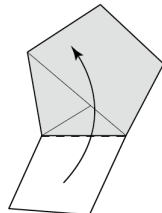

Insert the end into the shape and turn over

5

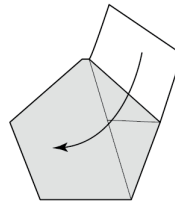

Follow the arrow direction and align to the edge. Turn over

6

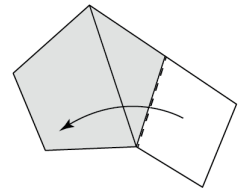

Fold to arrow direction and (again) turn over

7

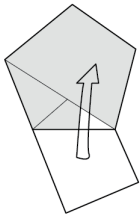

Fold and turn over

8

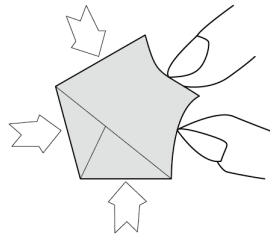

Fold again. Make sure you fold along the edge to retain the shape of the pentagon

9

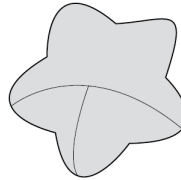

Inside the end part to the inside of the star

10

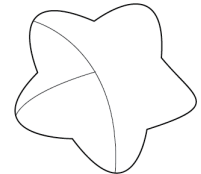

Press the center of the edges with your fingerprint

11

Finished! (back)

12

Finished! (front)
